

18th September 2015

Dear Parent/Carer

OPEN EVENING – TUESDAY 29th SEPTEMBER 2015

We would be delighted if your son/daughter could attend Vyners School Open Evening on Tuesday 29th September 2015 to help greet and direct visitors around the school. Students will need to report to Mrs Foster in the dining area at 5:30pm and can be collected from school at 7:30pm.

It is vital that students look their best for Open Evening and are welcoming and helpful. Correct uniform must be worn, complete with blazer and tie, clean black shoes and no jewellery or make up. Girls' skirts must be knee length and worn with black opaque tights.

It will be a long and busy evening but with the help and co-operation of our students, a successful one. Parents visiting the school are always particularly impressed by the cheerfulness and politeness of your sons and daughters.

Please would you give permission for your son/daughter to participate by returning the slip below to Student Services.

If necessary, please make clear arrangements for him/her to get home safely afterwards or where you will meet them in the school. It is very busy on the school site and it is strongly recommended that you make specific arrangements or they can wait for you in the Dining Hall where they will be supervised.

Thank you for your support.

Yours faithfully

James Heale
Headteacher
