Our Key Stage 5 Curriculum

***“I want to study
Physiotherapy in Spain.
Having a language A
level and as part of a
degree is important for
job opportunities”
Year 13 Student***

A Level students have the opportunity to study towards qualifications with AQA. Students build on their knowledge of the language from GCSE and are introduced to a wide range of vocabulary and complex grammar.

Students are exposed to authentic texts on a range of topics and develop their ability to respond with fluency and accuracy using a range of complex language.

Students work 1:1 with the Foreign Language Assistants in order to develop their speaking skills and to gain an enhanced appreciation of the culture of the languages they are studying. Students are trained to be increasingly independent, and students are supported via Google Drive. Regular essays are completed, for which formative feedback is given, linked to the examination success criteria.

Frequently Asked Questions

Can my child study any language at A level ?

At Vyners, we have offered German and French in previous years and have more recently introduced Spanish in 2024.

A level examinations in Home Languages such as Arabic or Turkish can be taken at Vyners but will be considered as private entries.

Excellence

How will my child be supported in their language lesson ?

Language lessons are carefully structured and modelled by teachers. We use online digital textbooks with tailored resources to support your child and which your child can access both at school and at home. These digital books are designed for A level students. Students are given knowledge organisers for key vocabulary, speaking and writing frames and language prompts to ensure that they gain confidence in core skills such as speaking, reading, listening and writing.

How will my child be challenged?

We encourage your child to take an active interest in the culture and traditions of the country in which the language studied is spoken. Attending weekly language lessons with the assistant will offer your child the opportunity to enrich their knowledge of the country/ countries they are studying. Watching films with subtitles in English and watching and listening to Youtube videos is also recommended.

Excellence

How will my child be assessed?

At Key Stage 5 teachers use the A level mark scheme and work is marked on a regular basis.

What does home learning look like in Modern Languages?

At Key Stage 5, students are encouraged to develop essential revision skills using language learning booklets, conversation booklets and online language sites and checklists.
