Dear Year 11 Students and Parents,

Arrangements for GCSE Results Day and Sixth Form Enrolment

As you are most probably aware, the results day for GCSEs and Level 2 vocational qualifications will be on Thursday 12th August 2021. We wanted to write to you to outline the arrangements that we have put in place for this day, in order to prioritise health & safety whilst supporting students in their next steps.

Results and Appeals

We will **email results to each student via their Vyners school email account at 8:30am on 12th August**; this is the earliest time we are legally able to release the grades. We hope this enables all students to have the information that they need to make decisions about their future choices.

On receipt of their results, students can request a call back to discuss their results via a Google form which will be linked to the results email. Students who wish to discuss their results or entry to the Sixth Form in person, can make an appointment to come into school between 11 and 2pm. A link to the appeals policy and documentation will also be in the results email. Please watch [this Loom video](#) for further information regarding the results and appeals process this year. The JCQ 'A guide to appeals processes Summer 2021 series' can be read [here](#).

Hoodies / Year Books

These items, as well as a hard copy of results, can be collected on Results Day, between 11am and 1pm. Students should enter school via the bottom gates and walk straight up the road round the side of the Sports Hall and round to the new canteen.

Sixth Form Induction Event

This event will be virtual this year and will go live on our school website at 4pm on Tuesday 6th July 2021. This will include links to Google Classroom transition rooms that current Vyners Y11 students can join, using their school email address, to find out more about their potential A Level and Level 3 subjects.
