Excellence

Vyners School

Striving for
Excellence

- **Developing your sense of identity**
- **Pushing yourself out of your comfort zone**
- **Developing confidence**
- **Creating resilience**
- **Better well being**
- **Contribution to the school and the wider community**
- **Experience for job and university applications**

Leadership Opportunities:

- Becoming a school ambassador by leading a club or society.
- Becoming a subject ambassador
- Becoming a House Captain
- Peer Mentoring
- Leading assemblies for different year groups
- Mental Health First Aid

Extra Curricular Opportunities

- Taking part in the school production
- Running and taking part in house sports activities
- Trips
- Duke of Edinburgh
- NCS (National Citizenship Service)
- Trips
- Charity work
- Community work and work with primary schools

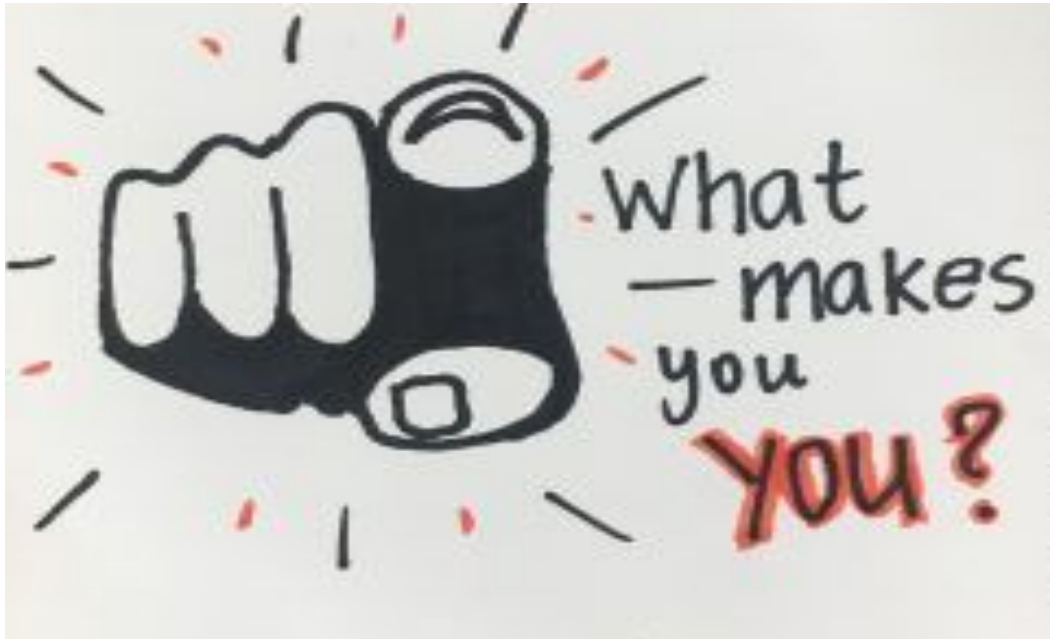

Super Curricular Opportunities

- Medical Club
- Debate society
- EPQ
- Subject specific book clubs
- Completing online work experience
- Completing MOOC's and other online based courses that complement current subjects or university courses
- Listening to TED talks or podcasts as a wider learning process
- Attending virtual lectures/signing up to online societies
- Engaging in university tours and talks

Summer Tasks

How can you
start your
journey to being
a student
ambassador?

Vyners School

Striving for
Excellence

1. Clubs and Societies

You will have the opportunity to apply to be a student ambassador at the end of September.

One of the ways in becoming a student ambassador is to run a club or society in school (there will be lots of other opportunities too!).

The club or society can be for any year group!

You could set up a book club, an after school sports society, a debate society in Year 12, a school newspaper/magazine society, you may want to work with the executive and teachers on diversity and inclusion or looking at an LGBTQ+ society. It may be a charities club or even a Lego club.

Vyners School

Striving for
Excellence

Put together a short paragraph outlining:

1. What type of club or society are you interested in running?
2. Have you a potential name for the society?
3. Who else would be involved (this can be a group effort)?
4. What age group/year group would this be aimed towards?
5. How often would you wish to run the group?
6. What are your aims and outcomes for this group?

Now design a poster to help advertise your club! We will use this to advertise to relevant year groups.

Please email all applications to acoyle@vynersschool.org.uk by Friday 10th September 2021.

2. Complete a MOOC

MOOC's are taster courses from universities all over the world and give an insight into what studying at university will be like.

The courses are free and many are available via <https://www.futurelearn.com/> - you can complete them over the summer and they are excellent in terms of giving you an idea of the content of different courses at university.

Give one a try this summer. If you do complete one, write a short summary of the course and what you have learned from it and email to acoyle@vynersschool.org.uk by Friday 10th September 2021.

Excellence

3. Your Sixth Form Vision

Complete the vision task available on the Year 12 Induction tab on the school website.

This will be a brilliant way to start thinking about the now you, and the future you and will really help you to pin down what you want to achieve as a member of the Vyners Sixth Form Community.

You will need this for your first tutorial session on Monday 6th September 2021.

We look forward to seeing you then!
