

## YEAR 10 EXAMINATION ARRANGEMENTS AND TIMETABLE 2018

### Practical and oral examinations

These will take place in the week from **Monday 19th March to Thursday 29th March inclusive** as per the attached timetable.

### Written examinations

All of these will take place from **Monday 16th April to Friday 27th April inclusive** as per the attached timetable. Maths and English Language exams are on Friday 27th April. Maths will start at 08:30, with registration at 08:15, and the English Language exam is scheduled to start at 11:30 with registration at 11:20. After these exams students will be allowed home, so period 5 will not apply. All remaining exams will be conducted during normal lessons 16th – 26th April.

### Timetable

It is important that you keep to the timetable. It has been written to ensure that no student has more than 3 exams per day and that, as far as possible, no exam follows immediately after the previous one.

### Location

Apart from English Language and Maths exams all exams will take place in normal classrooms supervised by the classroom teacher. It is important that the right tone is set for the exam, therefore exam conditions will apply. i.e. students seated in alphabetical order, desks arranged in rows, mobile phones switched off and in bags.

In the event of the teacher's absence the exam will go ahead supervised by the member of staff covering the lesson.

### Maths and English Language Exams

These exams are timetabled to take place in the GYM/English rooms on Friday 27th April. Students will therefore be absent from normal lessons all day.

### Students with access arrangements

All students who have access arrangements for examinations, will take their examinations in normal lessons, or will be supported by members of the SEN/HIRB departments.
