Purchase of the revision guides is entirely optional. These books will, however, provide invaluable support to your son / daughter as they prepare for their final examinations in the summer. Should you wish to purchase these books via another route (WH Smith, Amazon etc), please feel free to do so. As the School is able to achieve savings via a bulk purchase, however, we were keen to offer the guides at a discount to our Year 11 parents.

All purchases should be made via sQuid, our online payment system. Please log onto the system (www.squidcard.com) and select the 'school trips and offers' purse. Each revision guides will be clearly marked as waiting payment.

An emailed receipt will automatically be sent to you by the system once payment has been made. Please take care to make the correct purchase as the School will be unable to offer refunds for incorrect purchases.

Please note that for purchases under £10 the UK banking system charges a transaction fee of 25p, which will be added to the cost of the purchase. This is not applied to purchases over £10. The upgraded squidcard system enables you to group together multiple purchases for multiple children into the same transaction, thus enabling you to avoid this charge. Please take the opportunity to pay for other activities (or a catering top up) at the same time as purchasing the books. If your child is in receipt of free school meals, please contact me, in confidence, as there is funding available to make these purchases for your child.

Please note that the deadline for purchasing any extra resources is at midnight **30th September 2018**.

Yours faithfully
