Absence/Illness :

- Attendance is excellent because we track it and involve external agents when necessary to ensure that students are in school.
- All student absence must be reported on the first and every subsequent day by a phone call to Mrs Green or an email to the attendance email address - attendance@vyners.hillingdon.sch.uk - Ideally by 9.30 in order to prevent you receiving a truancy call. Our automated message system which reports absent students.
- Failure to notify the school of non -attendance will result in your son/daughter receiving an unauthorised absence for that period of time off.
