Anti-Bullying Week

As was mentioned in last week's bulletin, Vyners School participated in the Anti Bullying week organised by the Anti-Bullying Alliance. The theme this year was "*Choose Respect*". This theme encourages young people, families, and communities to think about the importance of respect in all our relationships and to actively choose kindness, empathy, and understanding.

To support your child's learning, we encourage you to join us in discussing the theme of respect at home, and to help your child understand how small acts of kindness can make a big difference. You can also ask your child about the activities they participate in during Anti-Bullying Week and what they have learned about the importance of respect. To aid these discussions please refer to the National College '10 Top Tips for Parents and Educators' guidance [[click here](#)].

If you have any questions or concerns, or if you would like additional resources on supporting anti-bullying efforts at home, please email the safeguarding team via office@vynersschool.org.uk.
