

17th January 2025

Dear parents, carers and friends of the school

It is with great sadness that we are writing to inform you that a long time member of our school community, Mark Hague, sadly passed away this morning after a period of illness. Mark had a long relationship with Vyners School and the Vanguard Learning Trust. This started as a parent of children at the school, which led him to take on a role as a school governor. He later became the Chair of the local governing body, a role that he continued to be involved in until very recently. Mark was also one of the original trustees that helped to form the Trust when it was created in 2015. He was also a friend and great support to many of us.

We wish to extend our most sincere condolences to Mark's family and friends. Mark will continue to remain in our thoughts and prayers. We will endeavour to share information about how Mark's life will be celebrated at the earliest opportunity.

Yours sincerely

Claire Clarke
Acting Chair of Governors
