Dear Parents/Carers

**Re: New Management Information System and Edulink**

A few weeks ago it was announced that we will be shortly migrating to a different Management Information System. We will be moving from SIMS to Arbor on the 1st April.

We will be continuing to use the Edulink App/Parent Portal with this system; however, there is a possibility that in the process of migrating to the new system we could see some delay in some information feeding into Edulink. This will only be temporary. We are hoping that there will be no issues but we wanted you to be aware of this.

Parents will continue to receive text messages providing notice of detentions and should not notice any significant changes in Edulink as a result of the transition.

From September 2025 we will be looking into using the Arbor Parent Portal as a replacement for Edulink and a consultation will be announced nearer the time. For now we will be operating as usual.

Yours faithfully,

Mr A Newbey  
Assistant Headteacher  
MIS Transition Lead
