Miss C Kemish - Study Room Supervisor
Mrs R Lane - Year 12 Leader

Thank you

The Sixth Form team would like to say a huge thank you to all Sixth Form students who showed our sixth form off to its very best during this week's Ofsted inspection. The inspection team's primary focus on day two of the inspection was the Sixth Form and they were impressed with the mature, focused and motivated attitude of the students they encountered both in and outside of lessons. We hope you all enjoy a well-deserved long weekend - but make sure you balance revision, rest and entertainment using your revision calendar.

Well done to the following Sixth Form students who performed brilliantly in the Spring Music Concert yesterday evening:

Laura White; Rachael Bowker; Amy Mitchell; Kheyana Patel; Indy Sungoo; Jasmine Glenister; Amelia Reynard; George Hall; Samuel Davis; Hannah Fraser.

- **Message from the Network Manager re student collection of data:**

I would like to let Year 13 leavers know the process involved in taking their data with them when they leave. In the student zone of the school website there are instructions for Google Takeout and Google Transfer. Following these instructions will allow students to take any data they need that is held in their Google accounts with them when they leave. <https://www.vynersschool.org.uk/page/?title=Student+Zone&pid=38>

The policy is that we allow Year 13 leavers access to their email accounts until the Oct half term after they have left. That is plenty of time for students to pick up any emails or data that is required. After Oct half term there will be no further access to the accounts. Please reiterate this to students as they will have plenty of chances to get access up until Oct half term. Any requests for access after Oct half term will be denied with no exceptions.

General Notices:

- **Mobile Phones:** All Sixth Form students have been reminded to ensure that mobile phones are out of sight when moving round the school.
