Dear Parent/Carer

**Subject Art and Design A level coursework clinic– Parent Workshop –
14 January 2020**

First of all, I would like to thank you for your continued efforts in supporting the department and your child to achieve well in Art.

To enable students to achieve their very best, the Art Department will be running a Parent Workshop session for Y13 parents on Tuesday 14 January 2020 from 6pm to 7pm. It is designed to be an informative discussion about what our expectations are of your child and how you can best support their success in the subject. They will have all sat their exam and we will be giving out individual to do list for your child. We will show you how to monitor and encourage them effectively at home so their coursework grade (60% of A level) is fulfilling the course criteria.

It is a great opportunity to meet other parents who have the same concerns and to build your understanding of the standards of the Art curriculum.

We hope that you will be able to attend. **Please confirm attendance by completing the slip below and returning to me.**

If you have any questions, please do not hesitate to contact me
