

22 January 2020

Dear Parents/ Carers

Re: Year 8 Options Information Evening – Tuesday 28 January 2020

I would like to invite you to attend an information evening concerning the forthcoming options process for your child, taking place at 6.30pm on 28 January 2020 in the school hall.

Your attendance at this evening is extremely important as this is a key milestone in your child's education where they will make decisions that will shape their future.

The aim of the evening is to give you information about the Year 8 into Year 9 options process. There are a number of upcoming assemblies designed to help the year group think about what subjects they may wish to choose as an option. They will also take part in an 'Options Fayre'. This event will be held during the school day on the 4 February 2020 and will give your child an opportunity to find out more information about each subject by speaking to pupils who are currently studying higher up in the school.

At the Options Fayre, your son/daughter will also receive the Year 8 into 9 options booklet which will outline the subjects available to choose and information about each subject, topics taught and assessment methods. This will be a great time for you to speak to your son/daughter about the process and what subjects they would like to pursue during their time at Vyners.

You will have an opportunity to speak to your child's subject teachers at the Year 8 parents' evening on the 19 March 2020, more information regarding this evening will follow. In the meantime, please do not hesitate to contact me, either by e-mail, tashe@vynersschool.org.uk or phone to clarify any information regarding the options process. Please note that individual questions regarding specific subjects should be directed to your child's class teacher or the Subject Leader.

I look forward to seeing you at the information evening.

Yours sincerely

Ms T Ashe
Year 8 Leader
