

31 January 2020

Dear Parent / Carer

Subject: Science Study Guides for Key Stage 3

We are offering the opportunity for Year 7 students to purchase a discounted study guide for Science. This will help students prepare for internal tests and to consolidate learning at Key Stage 3.

Purchase of the revision guides is entirely optional. These books will, however, provide invaluable support to your son / daughter as they prepare for their examinations over the Key Stage 3 course. Each guide contains a revision section covering the subject matter covered in class as well as exam style questions.

Should you wish to purchase these books via another route (WH Smith, Amazon etc.), please feel free to do so. As the School is able to achieve savings via a bulk purchase, however, we were keen to offer the guides at a discount to our parents, the price offered is **£3.99 opposed to the RRP of £10.99.**

Payment should be made via sQuid, our online payment system. **Cash and cheques will no longer be accepted.** Please log onto the system (www.squidcard.com) and select the 'trips/activities purse'. This will be clearly visible as **'Science Study Guides Key Stage 3'** and must be specifically selected in order to make payment. Please follow the instructions on screen. An emailed receipt will automatically be sent to you by the system once payment is made.

Please note that the deadline for purchasing any extra resources is **midnight 27 March 2020.**

Yours sincerely

Mrs. B. Bennett
Asst Subject Leader Science
