

Year 8 Update

27/03/2026

Dear Parents and Carers,

As we reach the end of a busy term, it has been a pleasure to see Year 8 continuing to work hard and engage with school life.

Our assembly this week focused on **Tick Bite Prevention Week**. This was an important session aimed at raising awareness as the weather gets warmer, helping students understand how to stay safe while enjoying the outdoors and what to look out for to protect their health.

On a more serious note, we have recently seen an increase in "gossip" and unkind comments circulating on social media within the year group. We would strongly encourage you to monitor your child's social media activity over the break. Staying aware of their online interactions helps us work together to ensure that all students feel safe and respected both in and out of school.

We hope the students enjoy a well-deserved rest and come back refreshed for the new term. Thank you for your continued support.

Wishing you all a wonderful and restful Easter break.

Kind regards,

Mr Abraham
Year 8 Leader

Policy Update

Earlier this year we wrote to parents and carers outlining our updated behaviour policy with specific references to student mobile phone use at Vyners. As part of that communication we stated that it is our intention to continue to strengthen the policy over the coming academic year in line with the updated guidance from the Department for Education ([click here](#)). We support the DfE's guidance given the overwhelming evidence regarding smart phone use and children's mental health and wellbeing, their ability to develop social skills away from technologies as well the disruption to learning that we experience from time to time.

At our spring term local governing body meeting, the decision was taken to adopt the strategy for the new Year 7 cohort for September 2027 to be smart phone free and that the only phones that they will be able to bring to school will be **non-smart phones** with the ability for calls, texts and tracking. This will then be rolled out year-by-year until the school becomes smart phone free. This strategy has been successfully trialled within the Trust at Ruislip High School and we will be communicating this week to parents of Year 6 children who are due to start at Vyners in September.

With regard to students in the current cohorts at the school, we will be consulting on potential changes to the policy during the summer term with the view of finalising the policy for 2026-27 at the local governing body meeting in June. We will be in contact with parents and carers (and students) ahead of that time to gain their views. In the meantime, I would like to thank parents and carers for their continued support with regard to this matter.

Gary Mullings
Headteacher

Summer Term Co-Curricular
