Newsletter 14th February 2020

On Tuesday, we hosted the launch event for The School, Students and Teachers Network (SSAT) Leading Outstanding Schools Programme. The programme is designed to expose senior leaders from schools across the country to good practice in Outstanding schools. We were delighted to be asked to host one of the five days and, in particular, to be the school that launched the programme. We were joined by 14 delegates from schools as Worthing, York as well as the British Council School in Madrid as well as Dan Belcher, who is the SSATs head of leadership programmes. We are always willing to share the good practice that takes place at the school and I was also delighted to be able to show the delegates around the school and drop into lessons to see learning in action. During my time at Vyners we have been extremely fortunate to visit other excellent schools to learn from their experiences so we will continue to ensure that we support other schools in their journeys. I would, on this occasion, like to give specific thanks to Mrs Foster, Miss Pape, Mr Cahill and Mr Beale for their excellent presentations / workshops as well as Mrs Boxall for organising housekeeping for the day.

On Friday 7th February, the whole of Year 10 took part in the National Enterprise Challenge. During the course of the day, they used their creative, persuasive and presentation skills to design and market a new brand of energy bar for the company Grenade. There were some fantastic campaigns and the judges were really impressed by the originality of the concepts and the confidence of the presentations - as well as the imaginative adverts! Congratulations to the winning team, Nell Vaul (10G), Mia Allen (10G), Evie Craft (10G), Rianne Nornoo (10H) and Millie Macleod (10G), who will now go forward to represent the school at the National Finals. We wish them the best of luck!

Thank you to all parents and carers who were able to support the Year 13 Parental Consultation evening on Thursday. I would again like to remind parents of all students that if you require a more detailed discussion with a classroom teacher (beyond the allocated

5 minutes) at any time that they should contact the school. We will be more than happy to facilitate this. I would also like to remind parents and carers that the top gates are exit only and that entry is only possible via the new entrance. Once on site, vehicles are required to follow the one way system.

I hope that you have a wonderful half term break.
