

30 April 2026

Dear Parents and Carers,

Year 8 Parent Consultation Evening – 14 May 2026

As you are aware, Year 8 have their Parent Consultation Evening on Thursday 14th May between 4.30pm-7.00pm.

The School Cloud Parents Evening Portal will open for parents to book appointments on **Tuesday 5th May from 8am**. Each slot lasts for five minutes and appointments are booked for all subjects on a first come first served basis.

Please use this link [[click here](#)] to access the system.

If you have previously logged in, you should be able to use the same details, if not please complete the form you will be given when you visit the site. Please click on the Parent Login Option. If you have any issues using the School Cloud system then please take a look at the guide [here](#).

The details you enter must match exactly to what we have in school. For example, if you use a married name when we have your maiden name on our files, or if you try to enter a different email address, it won't let you in. If you have any problems logging in, please contact parentsevening@vynersschool.org.uk and we will send you the correct details once we confirm who you are.

You can invite a second person with parental responsibility to your appointment. You can give ONE other parent / carer access to join your video appointments in respect of each student linked to you that is involved in the evening. You can grant this access at the time of booking, or later if required. Once you have made your bookings (or when you later login and go to 'My Bookings') click on the 'Invite Parent/Guardian' link at the top of the list of your bookings. If you have already sent an invitation, this link will show as 'Manage Invites' instead.

To ensure an even spread of subjects some subject areas have been clustered together. As such you may only see one teacher from a group of subjects. For example Drama, Art and D&T have been clustered together. As a result you may see just the Art teacher. This will still give you a sense of how your child is progressing in the creative subjects. This is the same for Humanities.

If you have any concerns during the Parent Consultation Evening, please let me know.

Yours faithfully,

Mr Abraham
Year 8 Leader
