

3rd June 2020

Dear Parent/ Carer,

RE: Year 6 to 7 Transition

I fully understand that the current ongoing school closures will be of significant concern to you and your children, and I'm sure that the impact of the closures on your child's transition into Year 7 at Vyners is of particular concern. I want to reassure you that the transition process is very much a priority at this time, and will remain so. We will continue to work with primary colleagues to gather information on the students joining us in September to make the process as smooth as possible.

In light of government advice, the Vyners 6 into 7 Transition Day on Tuesday 30th June has been cancelled. I will of course provide you with all the information due to be shared at this event electronically; it will also be published on the school website. These resources will be emailed to you on Tuesday 30th June. The arrangements for further events will be kept under review with further updates made via the school website and email as appropriate.

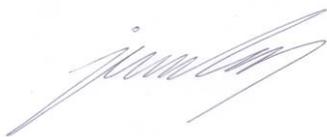

For those of you with an older child in school, you will be aware of the Squid registration letter, which gives you specific information as how to access your child's unique account on our cashless payment system. This too will be issued to you over the next few weeks.

Thank you to all the parents who have already returned their Admissions Booklet. If you have not yet done so, please complete this and send back to us via Royal Mail as soon as possible. This booklet contains important information that we need in order to ensure your child's transition runs smoothly

Finally please be aware that new Year 7 parents are asked to wait until they have been notified of their child's tutorial group before purchasing a school tie (as these are House specific). You will receive a separate email after the transition day informing you of your child's tutorial group.

From all of us at Vyners we would like to wish you well during this difficult and challenging time.

Yours Faithfully,

Mr Maheady
Year 7 Leader
