The Vyners 10

Here at Vyners we have our CARE values, they underpin everything we do. The Vyners 10 is a set of expectations which all students should follow all day everyday. Each expectation supports our CARE values.

Do you know any of the CARE values and what they mean?

Vyners School Values:

- **Community**; We are proud of our school community and participate in making it the place that we want it to be.
- **Aspiration**; We reach and surpass expectations. We aim high.
- **Respect**; We are caring and considerate about our school and the people in it.
- **Endeavour**; We make great efforts to be the best we can be. We keep going.

Organisation is a vital part of secondary school life. You will need to be responsible to be in the correct place at the correct time with the correct things.

Your teachers will be happy to help you out for the first few weeks but it is important that you are organised and have routines to help you.

What things can you do to help yourself be organised?
