

Dear Yr 6 Parents/Carers,

Re: All About Me

As part of our planning to assist your child in their transition to Vyners School, I would like to draw your attention to a task that would have been issued on their transition day, which was unfortunately cancelled due to the Coronavirus.

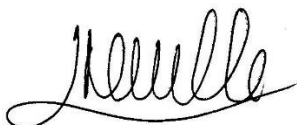

The 'All About Me' task is a small project that I would like all Year 6 students to complete, prior to starting with us at Vyners in September. The task is a short, fun activity, where students will give a little bit of information about themselves, including hobbies, favourite subjects at school etc. This task will be built upon on their first day with us and will be an important part of ice breaking activities and getting to know their fellow tutees.

I have attached a template of the task to this email, which can be printed off and completed. Or for the more creative and artistic students, they can design their own 'All About Me' poster. Please can you encourage your child to complete this task and bring it with them on their first day in September.

I have also emailed this task and instructions of how to complete it, to your child's Vyners email account and it is also listed on the 'Year 7 Induction' section of the school website.

If you have any questions about this task, please do not hesitate to get in touch.

Yours sincerely,

Mr Neville
Deputy Year 7 Leader
