

Ready to serve

Because of what is happening in the world right now, we have made a few changes to our food service to keep you safe when dining with us

Check the menu boards for your new menu

Lunch will be kept simple and served to you through Grab & Go instead of the self service you may be used to. We have a great range of food available :

- World Kitchen with a meat and vegetarian choices each day
- Hot Deli with pizza, pasta, paninis and wraps
- Cold Deli with sandwiches, baguettes and fruit pots that are packaged will be available from the Grab and Go fridge.
- Wrapped traybakes and bakery items

All hot items will be service by the team so there's no sharing of utensils.

Allergies and special requirements

We ensure our teams are kept up to-date with the knowledge to cater for different requirements but please do talk to us so we can work together to provide food that is safe for you to eat.

Free school meals

We understand that there may be some families that have had a change in financial circumstances and may now be entitled to apply for Free School Meals. This website helps you to establish if you can claim.

Helpful reminders

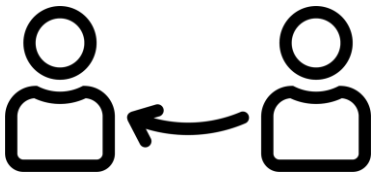

During the pandemic we have introduced changes and taken measures in line with the latest government guidance especially around staff training, social distancing, food safety and enhanced cleaning regimes. This means that we continue to produce and serve food safely.

You many have noticed a few more signs around the school. These are here to help you move around safely. You may also see some around the dining hall. These will help you to queue, collect your food, show you where to sit and leave your trays.

We also want you to feel safe while you are with us so please remember:

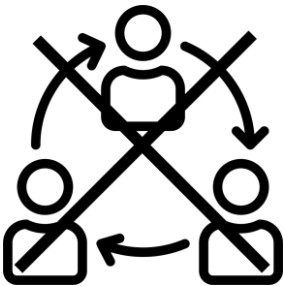

Wash your hands and sanitise them where possible

Keep your distance

Only touch what you are buying

Do not share food or drinks and only collect food and drinks for yourself

Observing these will help to keep everyone safe. Speak to a member of our team if you are unsure of any of the changes
