Dear parents and carers

Re: Uxbridge Bus Incident

I am sure that many of you are aware of reports of a serious incident on a U1 bus service in Uxbridge at around 2pm yesterday afternoon. Whilst no Vyners students were involved in the incident, I am sure that this will cause a degree of concern to families of children who use this service to travel to and from school.

We have attempted to make contact with the Metropolitan police who have not shared any specific information or advice with the school to this point. I would stress that whilst this was a serious incident, these types of situations are rare and that if the police believed that there were any additional risks to members of the public that they would have contacted schools to provide further information. It is usually the case that when an incident does occur that there will be a heightened police presence in the area in the immediate aftermath.

It is deeply saddening to learn about incidents such as these but I would again stress that they remain rare occurrences. However, if the police do provide any further information, advice or guidance in relation to this instance, I will ensure that it is shared with families promptly.

Yours sincerely

Gary Mullings
