Striving for Excellence

Year 8 Update 13/11/2026

Assemblies this week

Our assemblies over this week have provided wonderful opportunities for both celebration and reflection across the school community. A huge well done to 8H for delivering a truly beautiful thoughtful assembly exploring the importance of Remembrance Day, encouraging students to reflect on why we continue to honour and remember those who have served.

Remembrance service

This week, students came together to mark Remembrance Day with a reflective service held during their lessons. While poor weather meant we were unable to hold our usual whole-school ceremony out on the Astro, the entire school community still united as a poignant poem was broadcast over the tannoy, followed by a respectful two-minute silence. We were incredibly proud of the maturity and thoughtfulness shown by our students as they paused to honour and remember those who have served and sacrificed.

November - Be Bright Be Seen

With the clocks having gone back and the evenings getting darker, many children are travelling to and from school in low light. As part of the Be Bright, Be Seen campaign and to mark Road Safety Week (15–21 November), children will be taking part in assemblies and classroom activities focused on staying visible and safe near roads. Families can help reinforce this message at home by encouraging children to wear brightly coloured or fluorescent clothing during dull daylight hours, and adding reflective accessories, such as armbands, bag tags, or clip-on reflectors, when it is dark. If your child cycles or scoots to school, please also check that they have working white front and red rear lights, and remind them to stick to well-lit routes and safe crossing points.

Drop Everything And Read (DEAR)

As part of our ongoing commitment to fostering a love of reading at Vyners School, students take part in our weekly Drop Everything and Read (DEAR) campaign, where 20 minutes of lesson time is dedicated solely to independent reading. To ensure everyone gets the most out of these sessions, it is essential that students bring appropriate reading material to school every day. This can be either fiction or non-fiction, whether a gripping novel, a biography, or a book exploring a favourite hobby or subject, provided it is suitable for their age and reading level. Regular reading helps build focus, expand vocabulary, and boost confidence across the curriculum, so we kindly ask for your support in reminding your child to have a book packed in their bag each morning.

Safeguarding Snapshot

This week's safeguarding snapshot is regarding Com Networks (also known as The Com and including groups such as 764). They are online groups of people who set out to cause serious harm, both online and offline, through physical, sexual and financial crimes. Members gain status within the group by obtaining the most extreme and disturbing content. This includes coercing young people into recording or sharing images of sexual or physical abuse, either of themselves or of others. Please [click here] for further information.

Friends of Vyners AGM
