

Vyners School

Careers & Enterprise Programme 2020/21

Vision

Aims:

- The careers programme is designed to meet the needs of all learners. Activities are differentiated and personalised to ensure progression in their career learning and development, and to strengthen their motivation, aspirations and attainment at school. The Department works closely with the SEND and HIRB Departments to ensure inclusiveness of all students.
- Learners are entitled to CEIAG/WRL which meets professional standards of practice and which is delivered by trained staff and which is person-centred, impartial and confidential.
- Activities are embedded in the curriculum and based on a partnership with learners and their parents/carers.
- The programme will raise aspirations, challenge stereotyping and promote equality and diversity. This entitlement is incorporated in the Vyners School Learning Journey.
- The WRL curriculum links to the Careers Development Institute Framework and is guided by the Gatsby Benchmarks.

Evaluation:

Learners are actively involved in the delivery and evaluation of activities. All events are evaluated by a significant percentage of participants and this information is collated and used as part of the Careers Programme development process.

Date of next review : July 2021

Senior Careers Leader:

Mrs N Harvey nharvey@vynersschool.org.uk 01895 234342 (ext 4217)

Overall WRL Programme 2020-21
