

Vyners School	Page 14
YEAR 10 to YEAR 11	HOME LEARNING SCHEDULE - Summer 2014
Course Title	GCSE History

GCSE Course title: History

Compulsory work set:

Research the technology of World Wars One and Two. Complete an A3 mind map for each war, explaining weapons used, and their effect. The weapons you should consider include, the tank, gas, machine guns, barbed wire, bomber planes, Higgins Boat

Extension work set: One hour revision per week of paper one material

Optional work set: Revision of Vietnam unit

Approximate time these tasks will take:

Compulsory work – 3 hours
 Extension – another 6 hours
 Optional – another 3

The location of shared electronic resources/ what students will be provided with/ what students could purchase:

www.activehistory.co.uk (username Vyners, password grape)

www.Johndclare.net

www.bbc.co.uk/history (also bitesize)

www.learningcurve.gov.uk

Use folders from class.

You may wish to purchase textbooks (though these will be issued in September)

How this work will be assessed at the start of Year 11:

Research will be applied to the second controlled assessment question, which accounts for approximately 15% of the GCSE.

Revision will support your performance in the Yr 11 exams in December.

I confirm that my son/daughter has completed this work.

Signed: _____ (Parent/Carer).
