

7 May 2021

Dear Parents/ Carers

Subject **Year 7 Parents' Evening: Final Date: Thursday 20 May 2021**
Time: 4.30pm to 7pm

We are writing to inform you of the revised date for Year 7 Parents' Evening. We recognise that this change will be inconvenient for some parents and we apologise for any inconvenience this may have caused.

As you are already aware, we believe we made the right decision earlier in the school year to revise the date and select a more suitable time where staff and students were back in the classroom together, and where more productive conversations could take place to discuss your child's progress. Organising this event during a national lockdown did not feel like the right decision for all students, parents and staff involved. It was unfortunate that, when selecting the next date, we as a school community, overlooked that this would coincide with the date for Eid. Given the importance of this date within the Islamic calendar, we did not feel that it would be appropriate to go ahead with the consultation evening.

Our revised and final date has now been agreed as **Thursday 20th May**. As outlined in our first communication, we will be using the School Cloud Video Appointment System for the evening.

Please watch the video on the link below explaining how to log onto our new system in order to make a parents' evening booking to speak to Year 7 subject teachers on Thursday 20th May between 4:30pm and 7pm.

Parents Guide [Video Appointments : Parents](#)

The booking system will open from 8.00am on Thursday 13th May for you to log on and select your appointment times for each subject.

Click here to log in and book your appointments : <https://vyners.schoolcloud.co.uk/>

There will be one 5 minute appointment per subject where either one or more members of staff might join the call, depending on whether a teaching class is shared or not. **Year 7 students are able to book up to a maximum of 8 appointments.** We would encourage you to opt for a selection of appointments which will give you a broad and balanced understanding of your child's overall progress at Vyners. We hope everything will run smoothly from the booking process to the actual evening, but as ever with trialling a new system, we would ask for your patience and understanding.
