Year 13 Farewell

On Wednesday we said goodbye to our wonderful Year 13 students. We were delighted that everyone turned up to enjoy a spot of (very competitive) rounders, socialise at our BBQ and embrace the final assembly fancy dress code (photographs to follow). We are so proud of everything this cohort has achieved, especially with the many COVID obstacles that have been thrown at them along the way. Their resilience and determination is to be commended and we will miss them all - the sixth form bubble is very quiet! Thank you to all parents and carers for your continued support.

Year 12 Assessments

Our Year 12 students have completed the first week of their end of year exams. After the half term break there will be one more week of exams. Students will resume normal lessons and timetabled study periods on **Monday 14th June**. We urge students to continue to use the half term break to create a suitable revision timetable, which will assist in their preparation for their exams.

The assessment topics and timetable remain available on the school website [here](#). Students are permitted to use the free rooms between 08:30 and 16:00 if they wish to study in school when exams are not scheduled. If a subject does not have an assessment, students will be advised by their teachers of lesson attendance arrangements. This information may be communicated via email or Google Classroom.

Year 13 Yearbook and Hoodies

The payment for both the yearbook and the hoodie is available on sQuid. Both are priced at £18.50 each. If students wish to order a hoodie, please confirm the colour and size [here](#).

Please encourage the students to complete this information for the yearbook and check their emails regularly for updates.

Year 13 School Accounts Access

The School accounts of Year 13 students will only be available until **Friday 22nd October 2021**. On this day all account access will then be removed and there will be no exceptions to the rule. Students can choose to transfer their Google Data out using Google Takeout. Please visit: [Google Form](#) to transfer data to a personal account. It is the responsibility of students to ensure they have enough space on their own personal account to transfer any school data.

Covid-19 self testing kit reporting

Year 12 students who entered the school this week were issued with self testing kits. Year 12 students must continue to test twice weekly and report the results online.

Virtual Work Experience

The Young Professionals will be holding virtual work experience sessions on 7th, 8th and 9th June. This is a fantastic opportunity for students to take part in skills based workshops and interact with multiple global employers. To register for the events, click [here](#).
