Black History Month

"We all have dreams. In order to make dreams come into reality, it takes an awful lot of determination, dedication, self-discipline and effort."

Jesse Owens, world record-setting Olympic athlete

- **Sixth Form Open Evening**

Sixth Form Open Evening will take place for current Y11 students on **Tuesday 2nd November 2021** between **17:00 and 19:00**. All Year 12 students and the Year 13 Leadership Team are required to assist with the evening.

- **Covid Lateral Flow Testing**

Students have been issued with new Lateral Flow testing kits today during the morning tutorial. Please be aware that these are the new style kits and only require a nasal swab.

A reminder of the importance of regular testing twice a week and reporting has been delivered through tutorial time this week.

- **Reporting Attendance**

Please can parents and carers be reminded that they need to call or email to report their child absent. There have been a few cases of students ringing in or emailing to report themselves absent or ill. As a duty of care, messages sent by a student will be followed up to receive confirmation from the parent/carer.

- **EduLink**

A reminder that EduLink is now our only Parent Portal where you can view your child's progress including reports, behaviour, achievements and attendance. Parents who have not signed up have received another email invite today, please check your spam folder. The link is only live for 7 days to be activated.

- **Year 13 Trial Exams**

These will take place between **Tuesday 30th November and 16th December 2021**. Most exams will take place in the afternoon. [Exam timetable](#) and revision [hints and topics](#) can be found on the school website under Exams.

A virtual assembly was delivered to year 13 during Thursday morning tutorial time to give revision guidance and clarify exam arrangements. Students can access the slides on the year 13 google information room. Any students with an exam clash will be given individual timetables.
