Dear Parent/Carer

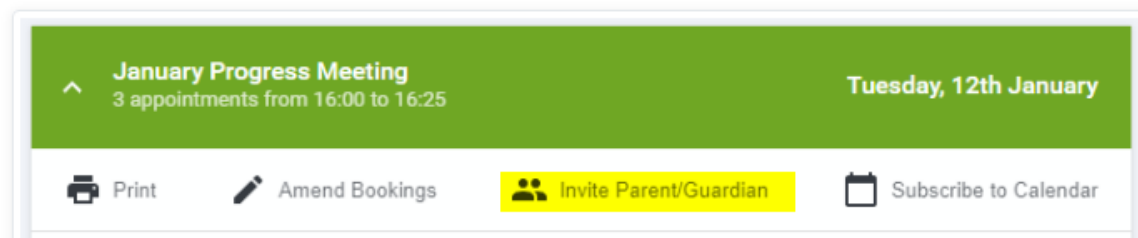

Subject **Year 7 Parents Evening – Thursday 13 January 2022**

Year 7 Parents Evening will be on **Thursday 13th January** from **4:30pm - 7pm**. The purpose of Parents Evening is not about meeting every single teacher, but rather to get a holistic view of your child's progress and wellbeing in school. Parents Evening will be held virtually on the School Cloud based software. Appointment slots will be 5 minutes long per teacher.

Parents will be automatically limited on the School Cloud software to a maximum of 8 appointments across the night. **Appointments will be open from now for English, Maths and Science on a first come first served basis until 4th January. On 4th January, we will open up all other subject slots for booking** (we will write again to remind you at that time). This staggering of subjects is to ensure that all parents get to see a fair and representative sample of their child's teachers.

Many of our teachers have multiple classes in the year group and for some teachers this means they will be teaching in excess of 100 students. Clearly it will be impossible for these teachers to see all parents on Parents Evening. Therefore, you will be automatically assigned **one** Humanities teacher who you can book to see (i.e. Geography **or** History **or** Ethics). Please note that problems with individual subjects should be raised by parents with teachers as they arise, not be left for Parents Evening.

If you and your child's other parent are separated, you can invite them to join you for the virtual 5 minute appointment slots. You can do this by inviting another person to your appointment. You can give ONE other parent/carer access to join your video appointments in respect of each student linked to you that is involved in the evening. You can grant this access at the time of booking, or later if required. Once you have made your bookings (or when you later log in and go to My Bookings) click on the Invite Parent/Guardian link at the top of the list of your bookings. If you have already sent an invitation this link will show as Manage Invites instead.
