Year 13 Summer exam information

Exam boards have now published the advance information for GCSE and A Level subjects and subject leaders have used this information to inform the topics information which has been shared with students to support their revision for the Spring Assessments after half term.

A summary of the advance information will be shared with parents and students after half term but the key information has already been shared with students via Google Classroom.

Year 13 Spring Assessments

These will begin straight after the February half term. The majority of these will happen in lessons, with some larger subjects sitting assessments in 006/7. An assessment timetable and topics information can be found [here](#). These assessments are intended as a support mechanism to guide students in their revision and preparation for final exams in the summer. A reminder that **there is no study leave for these assessments** and all students are expected to attend school every day for tutorial, study periods and lessons, unless sitting an assessment. Any students who are already entitled to separate access arrangements, will have these in place.

Sixth Form Dress code reminders:

- Smart uniform - including footwear
- PE Kit only worn for days with practical lessons
- No coats in the building and definitely not in lessons
- No air pods or phones visible in communal areas

Sixth Form Commendations

Congratulations to all of the students listed below for receiving commendations this term. Commendations are received for a range of categories including excellent attitude to learning or simply demonstrating the CARE values that are so important to Vyners. As always please share any good news about our sixth form students as we would love to celebrate their success with them here in school.

Year 13 progress commendations

Postcards have been written to students to commend them on their progress and attitude to learning. Letters have been emailed home for top performing students who have reached or exceeded their target grades in the trial exams.

Student Resources:

PiXL Independence and PiXL Endurance are online resources that students can access to support their independent study and revision across all subjects. Students should visit the [Pixl Students Website](#) where they should use the Vyners login details: **School number: 202247 password: Indep32**. They will see a pre-recorded video with instructions on how to login, create an account and use resources. All student logins are the same.

Sixth Form Library

We are currently looking to create a library in our sixth form study room and are asking for donations to help populate it. Ideally, we would like a mixture of easy reading (fiction), books on well being and mindfulness or inspirations autobiographies. Please ensure that the books are suitable for young adults, and that they are in a presentable (as good as new).condition. If you feel that you have a book lying around at home, please ask the students to bring them in and leave in the boxes in Rm 110 (Mrs Lane and Mrs Coyle's office).
