This is an occasion to celebrate together as a year group and as this is an event run by the school there will be security on the door to search bags and pockets as all guests enter. If any student is deemed to be under the influence of any substance or is carrying any contraband we reserve the right to refuse entry and parents/carers will be called.

If your son/daughter would like to attend the Prom then please make payment on sQuid and complete the questions by **Friday 20 May 2022**. No tickets will be available after this date as numbers need to be finalised with the hotel.

The deadline for **payment** is **Friday 20 May 2022**. **Cash and cheques will not be accepted**. Please log onto the system (www.squidcard.com) and select the 'trips/activities purse'. These items will be clearly visible and must be specifically selected in order to make payment. Please follow the instructions on screen. An emailed receipt will automatically be sent to you by the system once payment is made. Please also complete all details on sQuid regarding contact details for the evening and agreement to conditions listed.

It is very important that payment is made before the stated deadline to ensure your ticket is ordered.

The prom ticket will be available to collect on Friday 27 May 2022 at the end of the leaver's assembly that has been organised period 5. It is important to remember that Prom is not a right, if we as a school feel your behaviour in the build up to the event is not acceptable, you will be refused to attend Prom and will not be given a ticket.

Collection of Exam Certificates

Exam Certificates usually arrive at the end of the Autumn term and are available for collection from the school reception in the last two weeks of term before Christmas.

If you would like the certificates to be posted out to you then please log into sQuid where there is the option to pay £3 to cover the cost of postage and packaging.

You can nominate someone to collect the certificates on your behalf but they will need a signed authorisation from you to be able to do so.

Certificates will be kept until July 2023 after which time they will be disposed of and you will need to contact each individual exam board for duplicate certificates if you require them in future.
