

Why walk to school?

It keeps us all fit and healthy.

It's better for the environment and helps keep our air clean.

It improves concentration and helps us feel calmer and happier.

Allows time to walk and talk – a few minutes each way to hear about each other's day.

It keeps roads around school free from traffic which is safer for our children.

Best of all it's FREE – save on fuel costs and transport fares.

Our aim is...

For every child and young person in Hillingdon to be able to walk, cycle or use the bus safely for their everyday journeys, especially to and from school.

Walking to school is one of the easiest ways to improve our health and keep our air clean.

For more information email us at stars@hillingdon.gov.uk

Want to learn more about how your school can work towards active travel accreditation?

Visit stars.tfl.gov.uk

Together we can improve the health of all our students.

VYNERS SCHOOL WALK ZONE MAP

This map was created to encourage you to walk to school, and travel on foot more often around the local area.

Can't walk the whole way?

Try to park in the blue zone where permitted and walk the rest of the trip.

If you need to drive – don't idle!

It's a waste of money and pollutes the air that we breathe!

Did you know?

Pollution levels are higher inside the car than outside.
