

18th July 2022

Dear Parents and Carers

Extreme Weather Warning Update

I am writing to update you regarding the red weather warning that is scheduled to continue through to the end of Tuesday. We have been delighted with the manner in which students and staff have managed this situation today and given that the forecast for tomorrow is very similar to that of today we have decided to maintain the provisions that are currently in place. Students will continue to have the option of wearing their PE shorts / skorts and short sleeves polo shirts to school or wear their school uniform without the tie and blazer.

We have decided to proceed with the celebrations assemblies for Years 7 and 8 tomorrow as planned. However, students can wear their PE kit or relaxed school uniform for this activity rather than full school uniform as originally advertised.

Please note adjustments will be in place until the end of tomorrow only and that **all students, including those in the Sixth Form will be expected to return to full school uniform on Wednesday.**

We will be **dismissing students slightly earlier at 1.45pm tomorrow** and will return to a full school day on Wednesday.

Students should not be absent from school due to the extreme weather unless they have a **valid medical condition** that prevents them from safely attending the site. All absences related to the weather conditions will be marked as unauthorised unless there is clear evidence of such a condition.

Thank you once again for your support with this matter.

Yours sincerely

Gary Mullings
