

10 October 2022

Dear Parent / Carer

Subject Crest Award 2022/2023

The science department is offering your son/daughter an opportunity to be selected as a member of the Vyners STEM project which is known as the CREST award. This will run from 3.00- 4.00pm Monday's week B after school.

This is a fantastic opportunity which we will allocate on a first come, first serve basis. Being a member of CREST award will provide students with an advantageous position when applying to universities and 6th forms and participating students will be considered for a rewards trip at the end of the year.

Please complete the consent form on this [google form](#) if you wish your child to participate, it also contains a paragraph that the student needs to complete.

Yours sincerely

Dr G Abbas and Mrs Z Ehsan
