

Vyners School

Examination Policy

Policy Statement

As an examination centre, Vyners School is committed to ensuring that the examination management and administration process is run effectively and efficiently. This examination policy will ensure that:

- All aspects of the centre's examination processes are documented and other relevant examination-related policies, procedures and plans are signposted
- Staff are well informed and supported
- All centre staff involved in the examination process clearly understand their roles and responsibilities
- All examinations and assessments are conducted in accordance with JCQ and awarding body regulations, guidance and instructions, thus ensuring that *"...the integrity and security of the examination/assessment system is maintained at all times and is not brought into disrepute."* [JCQ General Regulations for Approved Centres (GR)1]
- Examination candidates understand the examination process and what is expected of them

It is the responsibility of everyone involved in the Centre's exam processes to read, understand and implement this policy.

This policy will be reviewed by the Headteacher and Examinations Officer annually to ensure ways of working continue to meet JCQ and awarding bodies regulations.

QUALIFICATIONS OFFERED

The statutory tests and qualifications offered at this centre are: Entry level, GCSE, BTEC, OCR Cambridge National and Technical, GCE, A level and occasionally AS level. We use the full range of Examination Boards available in England. The decision as to the most appropriate Exam Board is the responsibility of each Subject Leader.

This policy should be read in conjunction with the Policy on Examination Appeals and Assessment Malpractice (included as Annexes 1 and 2 respectively)

1. Implementation of the Policy

Examination Entry

Candidates are selected for their exam entries by the Subject Leader in consultation with the subject teacher

1. Exam entry for Key Stage 4 candidates

The policy regarding exam entry at Key Stage 4 is in keeping with the ethos of the school, i.e. to provide a comprehensive education for all. As a result of this all those students who show the potential to complete their two-year qualification course successfully are entered for the appropriate examinations set by the external awarding body.

1.1 Decision regarding levels of entry

Decisions regarding levels of entry will usually be made after the trial examinations in Year 11. Parents will be given the opportunity to discuss any decisions made by subject staff at Parents' Evening.

1.2 Decisions for Non-Entry

Decisions regarding non-entry are made after consultation between the Deputy Headteacher (Curriculum), the Exams Officer, all relevant subject staff and parents. Decisions regarding non-entry are made on one or more of the following grounds:

- (i) insufficient coursework/controlled assessment tasks
- (ii) part-time attendance at school, arranged by the school
- (iii) poor attendance pattern by the pupil
- (iv) allowing a less able pupil to concentrate on a more restricted number of examinations

1.3 Procedure for Non-Entry

- (i) consultation with parents
- (ii) parents informed in writing – signature requested
- (iii) provisional exam entry letter sent for remaining subjects – signed and returned

2. Exam entry for Sixth Form candidates (Years 12 and 13)

2.1 Decisions regarding entry for AS, A2 level examinations and vocational qualifications (BTEC, OCR Nationals)

- (i) regular attendance at lessons is required
- (ii) completion of all required coursework
- (iii) satisfactory performance in assessments throughout the course

These decisions will be taken by the Head of Sixth Form in consultation with the appropriate Subject Leader

The Equality Act 2010, Special Needs and Access Arrangements

- The centre will comply with the Equality Act 2010 to deliver the qualification in accordance with requirements defined by the legislation, awarding bodies and JCQ.
- All examination centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law. The JCQ document '*Access Arrangements, Reasonable Adjustments and Special Considerations*' provides detail on all aspects of these arrangements. (<http://www.jcq.org.uk/examsoffice/access-arrangements-and-special-consideration>)
- A candidate's additional needs requirements are determined by the SENCo, doctor and the educational psychologist / specialist teacher.
- The SENCo will inform subject teachers of candidates with special needs who are embarking on a course leading to an exam, and the date of that exam. The SENCo can then inform individual staff of any special arrangements that individual candidates may be granted during the course and in the exam.
- Access arrangements are put in place to allow students with additional educational needs, physical disability, a long-term medical condition, a psychological condition or temporary injury to access the examination / assessment.
- Examples of access arrangements may include a modified examination paper, extra time, use of an electronic device or supervised rest breaks.
- Access arrangements must be applied for and agreed well in advance of an assessment by

the Exams Officer at the direction of the SENCo

- Rooming, invigilation and support for access arrangement candidates will be organised by the Exams Officer.

LATE ENTRIES

- (i) Entry deadlines are advised to Subject Leaders by the Exams Officer.
- (ii) Exceptionally, late entries are authorised by the Deputy Headteacher and Exams Officer.

Clash candidates

The Exams Officer will be responsible as necessary for identifying supervision, a secure venue and arranging overnight stays as necessary, or seeking an overnight supervision order from the parents and applying to the appropriate exam board.

Special consideration

Special consideration is a post-examination adjustment to a student's mark or grade applied, by the awarding body, when their performance in an assessment / examination has been adversely affected by an event beyond their control. The Centre is obliged to publish a separate procedure on this subject, which is available from the Exams Officer

EXAMINATION RESULTS

Results

Results will be emailed to students at 8am on results days and will be able to collect individual results slips in person at the Centre. Physical copies of results will not be given to anyone other than the candidate without written authorisation from the candidate. Any candidate wishing to have results posted to them must supply a stamped addressed envelope.

Enquiries About Results (EARs) and Access To Scripts (ATS)

EARs may be requested by Centre staff or candidates if there are reasonable grounds for believing there has been an error in marking.

After the release of results, candidates may request the return of papers within a certain timeframe. If a whole subject result is queried, the Exams Officer, teaching staff and Head of Centre (Headteacher) will investigate the feasibility of asking for a review of marking at the Centre's expense.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained. This is at the department's expense.

GCSE review of marking cannot be applied for once a script has been returned.

Non-Examination Assessment Procedures

THIS MUST BE READ IN CONJUNCTION WITH ALL JCQ AND SPECIFIC EXAM BOARD GUIDANCE AND REGULATIONS NON-EXAMINATION ASSESSMENT POLICY FOR VYNERS SCHOOL

All non-examination assessments will be carried out in line with the Covid-19 risk assessment.

1. Process

The procedures relating to non-examination Assessments in the summer 21 season, will be carried out in line with JCQ guidance as it is released. Where possible and where appropriate, this work will be completed as fully as possible but where this is not possible because of reasons beyond the student's control, the work will be graded in its incomplete state without disadvantaging the student.

2. Deadlines

Entries for non-examination assessments must be made at the appropriate time. The assessment marks must be submitted to the exam board by the appropriate date. Internal deadlines for marking must be set in order to allow time for any candidate requests for reviews of marking and still meet the deadline for the submission of marks and candidates work, as published by the awarding body – see Appendix C.

3. Responsibilities

It is the responsibility of each Curriculum Leader to obtain the non-examination assessment task details from the exam boards.

4. Timetabling

The Curriculum Leader should choose the most appropriate time for the non-examination assessment to take place.

The Non-Examination Assessment may take place during timetabled class time.

Departments must plan when and how the assessment will take place, taking into account the accommodation and resources required. The Exams Officer should be notified when a high level non examination assessment is taking place.

5. Accommodation

Relevant display materials must be removed or covered up.

Ensure sufficient suitable classroom space is available to conduct the planned Non-Examination Assessment.

6. Security

All assessment materials must be locked in a suitable secure cabinet within the department at the end of each session.

Separate user accounts for exam use must be used for high control level work. These must have no access to the internet or e-mail and must only be accessible during the non-examination sessions. If work is saved on memory sticks these must be collected in after each session and locked away as above.

If suspected malpractice occurs, the Exams Officer, the SLT exams line manager and Headteacher must be informed.

If a student's work is lost within the school, this must be reported to the exam board via the relevant senior staff.

Candidates' work must be securely stored as in k) above until all results have been verified. All staff must be aware of the relevant level of control permitted (high, medium or low) as this will determine the level of permitted supervision e.g. high control means that students are under exam conditions.

7. Absence/Access arrangements

If a student is absent, the teacher must allow that student the chance to make up the time if necessary.

Attendance records from assessment sessions should be kept by the class teacher.

For long absences, special consideration should be applied for.

Access arrangements do apply to non-examination assessments.

HOD/Teacher to liaise with SENCo to ensure appropriate access arrangements are implemented.

Re-sits of non-examination assessment may be allowed in the next exam session.

8. Presentation

Work may be handwritten in black ink or word processed. Printouts, charts and videos can be included where appropriate.

Where the specification permits students to work with others, e.g. during collection of data, any descriptions of the joint work must be in each candidate's own words.

9. Authentication

Authentication forms must be signed by the teachers and candidates.

10. Marking

Where work is assessed by the teacher and externally moderated by the exam board, standardisation of marking must take place in the school if more than one teacher is involved in the assessing.

The centre must inform candidates of their centre assessed marks as a candidate is allowed to request a review of the centre's marking before marks are submitted to the awarding body – see below

After the results are published it may be possible to request a re-moderation of the work.

Reviews of marking - centre assessed marks (GCE and GCSE non-examination assessments)

Vyners School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Vyners School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. Vyners School will ensure that candidates are informed of their centre assessed marks 8 working days before the official board deadline, so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. We will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Vyners School will, having received a request for copies of materials, promptly make them available to the candidate.
4. We will provide candidates with a 4 working day window of time in order to allow them to review copies of materials and reach a decision.
5. Requests for reviews of marking **must** be made in writing, at least 8 working days before the official exam board deadline
6. Vyners School will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. We will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
8. Vyners School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Vyners School and is not covered by this procedure.

This process will be led and managed by the Assistant Headteacher in charge of exams and the Examinations Officer, with a report being provided to the Head of Centre at the conclusion of the appeal.

Examination Contingency Plan

LEGAL

- To meet the requirements of the Ofqual Joint Contingency Plan

MONITORING AND REVIEW

- This policy will be subject to continuous monitoring, refinement and audit by SLT responsible for Examinations (Assistant Head)

- In the event of Covid-19 restrictions being put in place, the school will follow government guidelines and implement the appropriate contingency plan in line with the Covid-19 risk assessment.

The next official date for review is **October 2021**.

Summary of School responsibilities in the event of disruption to examinations

Useful links and information

AIMS OF THE CONTINGENCY PLAN

The Examination Contingency Plan is designed to ensure a consistent and effective response in the event of major disruption to the examination system at Vyners School affecting candidates across several awarding organisations.

All awarding organisations are required to have their own well-established contingency plans in place to respond to such disruptions. This Examinations Contingency Plan takes into account these processes and procedures and is designed to complement them, not replace them. This also applies to all other qualifications at Vyners School

The plan will be implemented in the event of major disruption to the system, such as widespread illness, travel disruption, bad weather or power failures. Any actions taken will be subject to the advice of the official agencies dealing with the specific circumstances being faced, for example the police, Environment Agency or Health Protection Agency.

Implementing the plan will safeguard the interests of candidates while maintaining the integrity of the examination system and safeguarding qualification standards.

The priority when implementing contingencies will be to maintain three principles:

- **delivering assessments to published timetables**
- **delivering results to published timetables**
- **complying with regulatory requirements in relation to assessment, marking and standards.**

If the usual contingencies are no longer sufficient to maintain these outcomes, the Senior Leadership Team will meet to agree the additional actions required.

COMMUNICATIONS

In the event of local disruption, communication to teachers and students will take place through the usual channels via text and on the school website.

In the event of major disruption, details of specific contingencies agreed across Organisations involved in the examinations process will be confirmed on the Ofqual website and proactively communicated to relevant stakeholders.

This includes communications between the organisations involved in the response and communications to stakeholders such as centres, candidates, parents or carers and the public.

www.ofqual.gov.uk/

The organisations involved in this Joint Contingency Plan are committed to:

- sharing timely and accurate information as required to meet the aims of the plan
- communicating with stakeholders so they are aware of disruption to the exams, the contingency measures being implemented and any actions required of them as a result
- ensuring that any messages to the public are clear and accurate.

1. **DISRUPTION OF TEACHING TIME – SCHOOL CLOSED FOR AN EXTENDED PERIOD**

If Vyners School is closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning. It is the responsibility of the School to prepare students, as usual, for examinations.

- The School should plan to facilitate teaching and learning by an alternative method or alternative location.
- The School may offer candidates an opportunity to sit any examinations missed at the

next available series

Guidance on emergency planning, with advice on severe weather, is available on the Department for Education website:

<https://www.gov.uk/guidance/emergencies-and-severe-weather-schools-and-early-years-settings>

2. DISRUPTION IN THE DISTRIBUTION OF EXAMINATION PAPERS

If the distribution of examination papers to centres in advance of Examinations is disrupted:

- The awarding organisations to source alternative couriers for delivery of hardcopies.
- The awarding organisations would provide the School with electronic access to examination papers via a secure external network. Awarding organisations would fax examination papers to centres if electronic transfer is not possible. The Examinations Officer must ensure that copies are received, made and stored under secure conditions.

3. CANDIDATES UNABLE TO TAKE EXAMINATIONS BECAUSE OF A CRISIS

This contingency applies if Vyners School becomes closed due to extreme issues on the school site e.g. Fire, Flood.

- The School can liaise with candidates to identify whether the examination can be sat at an alternative venue in agreement with the relevant awarding organisations. JCQ guidance on alternative site arrangements can be accessed through the JCQ website: <https://www.jcq.org.uk/exams-office/ice---instructions-for-conducting-examinations>
- The School can apply to awarding organisations for special consideration for candidates where they have met the minimum requirements. Candidates are only eligible for special consideration if they have been fully prepared and have covered the whole course but are affected by adverse circumstances beyond their control. JCQ guidance on special consideration can be accessed through the JCQ website: [www.jcq.org.uk/exams-office/access-arrangements-and-specialconsideration/regulations andguidance](http://www.jcq.org.uk/exams-office/access-arrangements-and-specialconsideration/regulations-andguidance)

4. CENTRES ARE UNABLE TO OPEN AS NORMAL DURING THE EXAMINATION PERIOD

If Vyners School is unable to open as normal for scheduled examinations, it must inform each awarding organisation with which examinations are due to be taken as soon as possible.

The responsibility for deciding whether it is safe for the School to open lies with the Head of Centre. The Head of Centre is responsible for taking advice, or following instructions from relevant local or national agencies in deciding whether they are able to open.

- The School should open for examinations and examination candidates only if possible
- The School should use alternative venues in agreement with relevant awarding organisations (e.g. share facilities with other centres or use other public buildings, if possible).
- The School may offer candidates an opportunity to sit any examinations missed at the next available series
- The School can apply to awarding organisations for special consideration for candidates where they have met the minimum requirements (see item 3, page 6)

5. EXAMINATION STAFF ABSENCE

In the event that key Examination staff are absent, the hierarchy of responsibility is as follows:

- Examinations Officer
- Assistant Headteacher – responsible for exams
- Deputy Headteacher - Curriculum

6. DISRUPTION TO THE TRANSPORTATION OF COMPLETED EXAMINATION SCRIPTS

If there is a delay in normal collection arrangements for completed examination scripts.

- The School will seek advice from awarding organisations and normal collection agency regarding collection. The School must not make arrangements for transportation without approval from awarding organisations.
- The School must ensure secure storage of completed examination scripts until collection.

7. ASSESSMENT EVIDENCE IS NOT AVAILABLE TO BE MARKED

If due to large scale damage to, or destruction of, completed examination scripts/assessment evidence before it can be marked.

- The awarding organisations should generate candidate marks for affected assessments based on other appropriate evidence of candidate achievement as defined by the awarding organisations in consultation with the regulators.
- The candidates should retake the affected assessment at the subsequent assessment window.

8. AWARDING ORGANISATIONS UNABLE TO ISSUE ACCURATE RESULTS

Due to system error/failure or attack on systems means significant numbers of results cannot be validated as accurate or are issued and found to be inaccurate.

- The candidates, School and stakeholders will be informed of any incorrect results
- The awarding organisations will re-validate results
- The awarding organisations to re-issue results, via alternative format if necessary.

9. CENTRES ARE UNABLE TO DISTRIBUTE RESULTS AS NORMAL

- If the School is unable to access or manage the distribution of results to candidates, or to facilitate post results services.
- **The School should contact the awarding organisations about alternative options:**

The School will make arrangements to access its results at an alternative site.

The School will make arrangements to coordinate access to post results services from an alternative site.

The School will share facilities with other centres where possible.

SUMMARY OF SCHOOL RESPONSIBILITIES IN THE EVENT OF DISRUPTION TO EXAMINATIONS

- Preparing plans for any disruption to exams as part of centres' general emergency planning.
- Preparing candidates for examinations.
- Ensuring examinations and assessments are taken under the conditions prescribed by awarding organisations.
- Ensuring, where relevant, that assessment materials and candidate work are stored under secure conditions.
- Deciding whether the centre can open for examinations as scheduled and informing relevant awarding organisations if the centre is unable to open.
- Exploring the opportunities for alternative arrangements if the centre cannot open for examinations and agreeing such arrangements with the awarding organisations.
- Assessing and liaising with awarding organisations in the event of disruption to the transportation of papers.

BTEC Registration and Certification Policy

Aim:

- To register individual students to the correct programme within agreed timescales.
- To claim valid student certificates within agreed timescales.
- To construct a secure, accurate and accessible audit trail to ensure that individual student registration and certification claims can be tracked to the certificate which is issued for each student.

In order to do this we will:

- Register each student within the awarding body requirements.
- Register each student on Edexcel Online on the appropriate programme code, before any assessment activity is completed
- Provide a mechanism for programme teams to check the accuracy of student registrations.
- Make each student aware of their registration status.
- Inform the awarding body of withdrawals, transfers or changes to student details.
- Ensure that certificate claims are timely and based solely on internally verified assessment records.
- Audit certificate claims made to the awarding body.
- Audit the certificates received from the awarding body to ensure accuracy and completeness.
- Keep all records safely and securely for three years post certification.

Registration Procedure

- Students register with the school at the start of each academic year after discussion with the school as to the appropriate course for the student's interests and prior attainment, and the awarding body's requirements.
- The Examinations Officer registers the student on Edexcel Online on the appropriate programme code.
- The subject leader checks the registration and confirms the registration status with each student enrolled on the programme.

Transfer Procedure

- Students are not able to transfer programmes once they have commenced due to the limited number/range of programmes available at this centre.
- Year Leaders will explore alternative courses available at the centre or, where appropriate, at other suitable centres.

Withdrawal Procedure

- In the event of a student wishing to withdraw, they should, in the first instance, discuss the matter with their tutor to establish whether issues leading to the request to withdraw could be resolved so that the student could complete the programme
- In the event that the student is withdrawn from the programme, the Examinations Officer will notify Edexcel and include unit grades achieved to the point of withdrawal in the following interim report.
- In the event that a student is withdrawn from the programme between 1st September and 31st January and has not completed any units, the Exams Officer will apply to Edexcel for their registration to be deleted and fees refunded.
- The school will keep all records safely and securely for 3 years from the date of withdrawal.

Unit Certification Procedure

- Units are assessed, internally verified and reported to Edexcel as detailed in the subject specific information.
- A spreadsheet is completed detailing the date the assignment was set, its deadline for completion, the date assessed and the mark, date submitted for certification, date certification received and certified mark
- Students are advised of certified marks for units as they are received by the Subject Leader

Certification

Final reporting to Edexcel of unit grades in July for certification in August according to actual dates notified annually.

Dates of all public examinations are published on the school website and notified to the registered students when they are published by the awarding body.
