**Vyners School**  
Striving for Excellence

Dear Parents / Carers

**Subject: Science Revision Guides for Key Stage 4**

We are offering the opportunity for Year 10 students to purchase discounted Revision guides for Science. This will help students prepare for the upcoming GCSE exams by offering revision notes and a workbook.

Purchase of the revision guides is entirely optional. These books will, however, provide invaluable support to your son / daughter as they prepare for their examinations. Each guide contains revision sections covering the subject matter covered in class as well as exam style questions.

Should you wish to purchase other books via another route (WH Smith, Amazon etc.), please feel free to do so. As the School is able to achieve savings via a bulk purchase, we are keen to offer the guides at a discount to our parents, the price offered is £8.40 opposed to the RRP of £16.99 for the Combined Science, and £11.55 opposed to the RRP of £32.97 for all three separate sciences for Triple Science.

All purchases should be made via sQuid, our online payment system. Please log onto the system ([www.squidcard.com](http://www.squidcard.com)) and select the 'school trips and offers' purse. The Science Revision guide will be clearly marked as waiting payment. An emailed receipt will automatically be sent to you by the system once payment has been made. Please take care to make the correct purchase as the School will be unable to offer refunds for incorrect purchases.

Please note that the deadline for purchasing any extra resources is at midnight February 1st 2023.

Yours sincerely

Ms G Holt  
Subject Leader for Science
