

22<sup>nd</sup> February 2023

Dear Parents and Carers

### **Update on School Activities**

I am writing to provide an update regarding activities that are scheduled to take place during the next fortnight.

#### **Year 9 Parents Evening - Thursday 23<sup>rd</sup> February**

The parents evening for parents and carers of students in Year 9 will go ahead as planned on Thursday evening. Our staff are very much looking forward to meeting with parents (remotely) during the evening.

#### **Planned Industrial Action - Thursday 2<sup>nd</sup> March**

The second of the four planned dates for industrial action is scheduled for next Thursday, 2<sup>nd</sup> March. Early indications suggest that the school will again be partially closed on that day and I would ask that parents and carers make provisional arrangements for their child. We apologise for the additional inconvenience that this may cause. I will update all parents and carers early next week once our plans have been finalised.

#### **VLT Environmental Sustainability Week - Monday 27<sup>th</sup> February to Friday 3<sup>rd</sup> March**

A reminder that the trust sustainability week will take place throughout next week. Additional information about the week can be found via this [\[link\]](#). Please note that we took the deliberate decision not to send out the information earlier this week as originally planned.

Yours sincerely
