

28th February 2023

Dear Parents and Carers of Year 11.

I hope this email finds you well.

Please find attached the information regarding the upcoming in class assessments taking place with Year 11. I can only apologise for the delay in getting this out to you. This was because we were waiting on Strike confirmation from the NEU - negotiations that only took place on Saturday 25th February.

Please note, due to the proposed other strike days of the 15th and 16th March, we are unable to confirm when Maths and Science exams are taking place as of yet. Students should work towards the fact that these assessments will be taking place the week commencing 13th March and the week commencing 20th March. We will be able to confirm on Monday 13th March if the strikes are taking place, and how we are planning to coordinate the assessments accordingly.

I have also attached the plan for this Thursday 2nd March, where despite the fact that there are confirmed strikes, Year 11 are all expected at normal time. Please note that students may be dismissed slightly earlier than 3pm on this occasion.

Please ensure that you go through both documents with your child so that they understand the upcoming arrangements.

Best wishes,

Ms Hockley

Year 11 Spring Assessments and Strike Day Information

Year 11 assessments will usually be happening in class but we have decided to move the core - English Maths and Science assessments to the strike days. Click [here](#) to see all assessment information.

Maths papers 1-3 and Science - Biology and Chemistry will take place during the week commencing 13.3.23 but this will be confirmed nearer the time, when we know for certain about the strike situation on 15.3.23 and 16.3.23.

On Thursday 2.3.23, Year 11 students will attend school at the usual time but the timings of the day will be slightly different, as outlined below, to accommodate the English assessment, Physics assessment and revision time.

Times of the day for Thursday 2.3.23:
