

Environmental sustainability week competition

As previously advertised, for environmental sustainability week, we would like our students, with family members if they choose, to help us capture our Trust's commitment to environmental sustainability through words and an image.

Students have until **Thursday 23rd March 2023** to enter two competitions which involve writing a slogan and/or producing a visual image. Students can enter both competitions if they wish.

As it links to rethinking, which is one of the five Rs in the 'how low can we go' challenge, each student entry for both competitions will contribute 5 points towards each school's overall score for the challenge and winning entries will contribute 50 points.

Slogan competition

Students should write a slogan using no more than 30 words and starting with

Vanguard Learning Trust's environmental sustainability week

Entries should be submitted via the link below by 6pm on Thursday 23rd March 2023.

Visual image competition

Students should create a visual image to mark the week; this could be a photograph, drawing, painting, poster, etc.

Entries can be submitted by email to competition@vlt.org.uk and can be sent in Pdf, Jpeg, Microsoft Word or Google Doc formats. Alternatively, hard copies of entries can be submitted via the main office. All entries must include the student's name, year group and school and be submitted by 6pm on Thursday 23rd March 2023.

The winning entries will be used in our special edition newsletter which will be released by the end of term, showcasing all of the week's activities.
