

Year 10 Update

Dear Year 10 Parents/Carers,

- I'm sure that some of you are already aware of this, but Edulink does have a feature for parents/carers to track and monitor their child's homework. I have attached instructions of how to use this feature to this email, in case there are some parents/carers who are unaware of this and would like to use it.
- Students timetables and rooms will be changing back to normal as of Monday, now that all of the RAAC issues in the school have been resolved. I have attached a document to this email with some further information. Please can you sit down and go through this with your child, so that they are aware of the changes.
- Progress checks will be issued to students and will be available to view on Edulink on Friday 17th November. This will include data from the most recent assessment window that Year 10 students sat between the 2nd and 13th October.
- Please see below the link to this week's safeguarding snapshot, which gives information on the Ben Kinsella Trust.

- Finally, I would just like to send a reminder to parents to please complete the Year 10 Parent survey. We appreciate all of the feedback that you are able to give us, as this helps us to make changes for the better moving forwards. Please see the link below to access the google form.

I hope you all have a lovely weekend.

Kind regards,

Mr L Neville
Year 10 Leader
Teacher of Physical Education
