GENERAL NOTICES

Easter Celebration Assembly

We finished this half term today with a wonderful celebration assembly for our students to mark all of their successes over this half term. Certificates were given to year 13 students who completed the Extended Project Qualification and the Core Mathematics Qualification last year.

Tutor Awards were awarded to:

	12	13
Cheshire	Alice D	Shayaan M
Fry	Harry T	Lily W
Gell	Raquel C	Devina D
Huxley	Simran P	Ben R
John Miles	Indraneel R	Leo K
Windsor	Anya C	Lenai C

Head of Year Awards:

Year 12	Ella Brown
Year 13	William Greeves

Teachers were asked to give nominations for students they would like to commend based on a number of different criteria including demonstration of CARE values, supercurricular effort, independent study, excellent attitude to learning and acts of kindness. All students commended were given a postcard and names put into a prize draw.

The overall winners were:

Anabel Glennister	Stainley Raison
Besian Buzi	Phoebe Crawford
Phoebe Gardner (G)	Phoebe Gardner (W)
Georgina Ferguson	Izzy Flemming
Jaya Patel	Naomi Honda-Athenor

Congratulations to all prize winners this half term - photos are at the bottom of the bulletin.

House Day

Thank you to all Year 12 and 13 students who successfully took part in House Day today. Inter House summer activity for Sixth Form to follow next term. Keep your eyes peeled for some fun activities including rounders and dodgeball.

Work Experience

If any parents have contacts with workplaces that would be interested in offering placements to any of our students, we would love to hear from you. Please email any details to tlopes@vynersschool.org.uk

YEAR 12 NOTICES

Student Executive Team Task

There have been 29 applicants for the Student Executive Team this year and each one of them are competing for a position on the Executive Team. Students were given a task to work in small groups to create activities for Year 8 students and to promote subject choices. They will be assessed on working well as part of a team, collaboration skills and how they interact with the younger years. Below are some of the fantastic displays created by the students during the task. With another task to complete over the Easter holidays, it is an exciting time for our students.

Year 12 Summer Assessments

Year 12 Summer Assessments will begin on Monday 3rd June and run for 2 weeks. These will be formal assessments which will be sat in strict exam conditions. More information will be released following the Easter holiday, including assessed topic lists, revision timetables and exam timetables. In the meantime, we encourage Year 12 to use their time over Easter to organise their folders and to begin to consolidate their revision resources.

Work Experience week 15th - 19th July

A reminder that the sooner work experience placements can be organised for the last week of the Summer term (15 - 19th July) the better. Please give details of the proposed placement via the google form sent out and we will then contact the company to confirm the placement. If there are any difficulties in completing the form, or a company is requesting any further details from school, please do not hesitate to contact Mrs Desouza.

YEAR 13 NOTICES

Summer exams

Students received a paper copy of their statement of entry for the summer exams during tutorial time this morning. This document outlines which exam the student will be sitting, when the exam is and which tier. Students must look over this document carefully checking that the exams are correct, the tier is correct and that they are studying that subject. If you have any concerns please contact the exams office at Vyners after the Easter break. This can be done in person or via email at exams@vynersschool.org.uk

Any student who thinks they are entered for anything incorrectly must go to the exam office on **Monday 15th April** and those with exam clash dates should email the exams office at exams@vynersschool.org.uk The final Summer exam timetable has already been published on the year 13 Google classroom and is available to view on the school website [here](#)

Progress checks

Final progress check reports were issued during tutorial time on Wednesday. This report will now be available to view on EduLink. If you have not logged onto EduLink previously, please see the document attached to the email sent home which provides instructions on how to do so.

Any subject specific queries need to go directly to your son/daughter's subject teacher. You can contact any teacher by clicking on the 'Email a member of staff' link on the Vyners school website.

Study leave

The last day of lessons will be on **Friday 10th May**, where students are invited to come to school wearing their year 11 uniform (from Vyners or another school). followed by a leavers' assembly on **Monday 13th May**. They will then start study leave, but will be required to attend one or two compulsory revision lessons with their subject teacher before the half term break, particularly for those subjects that don't have their first exam until after half term. We have found that this has worked really well in the past to prepare students for their exams through focused revision which in turn motivates and supports students. Details of these sessions will be shared via email with students and parents at the start of the Summer Term.

Students may continue to use the study room and canteen spaces during their study leave, as long as they sign in and out of school and wear Sixth Form standards of dress.

End of year Celebrations

Prom

Over 80 Prom tickets have been sold already, so it promises to be a lovely occasion to mark the final year of school. Tickets will be available to purchase until 9th May, but it would be great to have final numbers as soon as possible so that we can finalise details and not have to chase nearer the date. If anyone is struggling due to financial difficulty, please speak to a member of the Sixth Form Team who will treat this with the utmost discretion.

Yearbook

This can be ordered direct to the all yearbooks company. Students need to complete their profile page by uploading 3 pictures of themselves, or in groups and answer the questions. In addition, they can include photos from events and activities that have taken place during Sixth Form to be included in the collage pages.

Hoodies

We can place the order as soon as everyone who wants one has paid, so that they arrive in school before the end of term, rather than having to wait until results day for collection, so please let Mrs Lane know if you would like to order, but have not done so yet.

End of year dates
